Year 3 Termly Overview – Autumn 2026 (Term 2)

Stone Age

English
Key Texts: Charlotte's Web and Spiders
Reading: We will continue to develop reading fluency and comprehension skills through the focus on vocabulary, inference, prediction, explain, retrieval and summarise (VIPERS).

Writing:
Unit 3: The children will write an alternative beginning to Charlotte's Web focusing on the grammar skills of inverted commas around the spoken word, the subordinating conjunction while and adjectives for emotions and texture.
Unit 4: The children will write a non-chronological report focusing on the skills of sub-ordinating conjunctions while and after, express time using prepositions and chunking like information together under subheadings.

Maths
Unit 2: Addition and Subtraction. We will continue with our unit focusing on using the column method. They will be adding and subtracting numbers up to 1000. They will continue building their knowledge of exchanging between the columns.

Unit 3: Multiplication A. Children will be introduced to the formal written methods of multiplication and division.

Times Tables: We will consolidate the 2, 5 and 10 times tables and division facts and introduce the 3 times table facts.

Science: Biology
Unit 2: Nutrition and Food Waste
Unit 3: Rocks
(See Knowledge Organisers)
