Harvest Festival

It was wonderful to welcome so many people into our whole school Harvest Festival service this morning. The children sang beautifully, and shared some fantastic art work and poetry. Thank you to Mrs Hampson for working so hard to lead the school with this service. Thank you also for all of the kind and generous donations, these will be delivered to Towcester Food Bank early next week.

Eco-Council

School 'Sustainability Squad'

Miss D-J received lots of well thought out and creative applications to be part of our new sustainability squad in school. As a school, this year our focus is to work towards the prestigious award of being an 'eco-school', our eco-council representatives from across school will meet regularly with Miss D-J to discuss how we can achieve this together.

We are pleased to announce that our new Eco Council representatives are:

Year 1: Daisy	Year 2: Eliza and Arlo
Year 3: Aurelia, Emily & Lily	Year 4: Elsie and Isaac
Year 5: Emmeline, Ruby and Penny	Year 6: Florence

Silverstone CE Primary School

Celebrating Our First 10 Years

2026 is an important year for Silverstone CE Primary School. Ten years ago, Silverstone Infant School and Silverstone CE Junior School merged to create the school we are today.

Over the past decade, our school community has celebrated many successes and overcome numerous challenges. It is particularly fitting that we received such a glowing Ofsted report as we celebrate our 10th anniversary. More importantly, it is wonderful to know that our

school is held in such high regard by our parents and that there is a genuine sense of belonging within our community.

In September 2027, we will also celebrate ten years since moving into our current school building. At Silverstone CE Primary, we see ourselves as a flagship school within PDET, benefiting from an exceptional learning environment that we are privileged to work in every day.

As Headteacher of Silverstone for the past eleven years, I feel incredibly fortunate to be the custodian of such a wonderful and caring school. In many ways, I feel privileged each day to welcome children, staff, and families into what I often describe as my second home.

I am sure many parents recognise just how fortunate we are to have such a thoughtfully designed school environment at the heart of our community. There are very few towns and villages across the country that enjoy facilities like ours.

I see the 2026-27 academic year as a special opportunity, not only to celebrate our first ten years but also to come together as a community to invest our time, energy, and a modest amount of funding into renewing, regenerating, and reinvigorating our school environment for the next decade.

We never take for granted how fortunate we are to have such supportive parents who generously give their time, expertise, and enthusiasm to help our school thrive. A fantastic example of this has been seen this week, with two parents working tirelessly to regenerate our EYFS garden area. In addition, a group of parents are currently helping to transform our school library.

Over the coming weeks, we will be reaching out to gather your ideas on how we can work together to celebrate our 10th anniversary in a meaningful and memorable way.

In the meantime, if you have a passion for supporting the school in any capacity, please do get in touch. We would love to hear from you.

James Bloomfield

The Pantry - School Lunches

Changes To Order Cut Off

As from Monday 5th October (next week) The cut off for ordering school meals will be 8:00am on each school day. As always we advise parents to book in advance

A huge thank-you to Laura and Matthew Williams who have worked non-stop to tidy up and enhance our Reception nature area. They have done a fantastic job and the Reception children will benefit hugely from their hard work. If collecting your children at the end of the day please take the time to have a look at the transformation.

Thank you also to our fantastic FOSS committee, who arranged for our first Library working party today, which involved tidying, sorting, stamping and labelling lots and LOTS of books!

This is the start of our library regenerations, and soon these books will restock our library shelves and provide all of our children with exciting new reading options!
