

100 books to read before you leave Silverstone CE Primary School.

100 books to read before you leave Silverstone CE Primary School is the carefully selected range of texts we believe form the ultimate book list that ALL children should experience before they leave our school.

In our school, we prioritise the teaching of reading: word reading and reading comprehension. Reading is identified as a key priority. Our intent is that all children will be able to read effectively when they leave our school and that we will have embedded a life-long love of reading within our children.

Our teachers have worked together, and each year group has created a 'book list' of recommended reads, with an additional bonus list of books, which represent our school values.

We want to help our children develop a life-long habit of reading for pleasure, and the improved life chances it brings them. Evidence shows there are 6 elements which support a child to read for pleasure:

- Being read to regularly
- Having books at home and at school
- Having a choice in what to read
- Finding time to read
- Having trusted help to find a book
- Making Reading FUN!

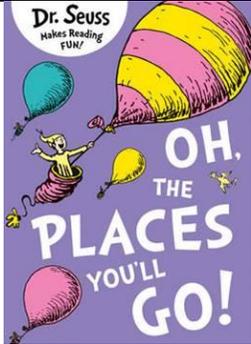

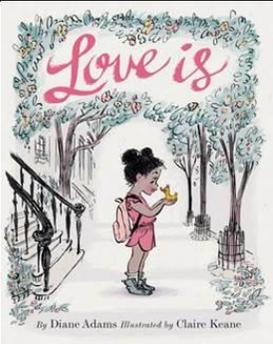

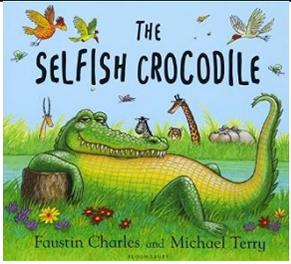

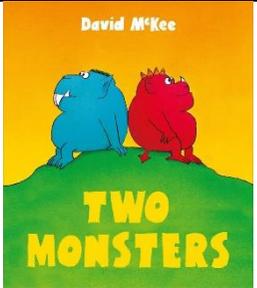

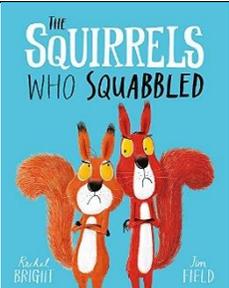

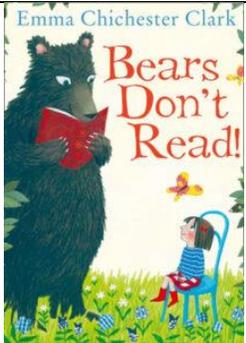

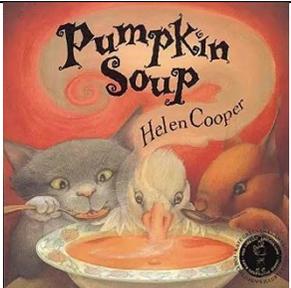

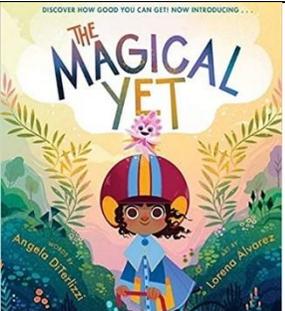

We would encourage everyone to use this book list as a guide to help your child find books they will love to read for pleasure at home. Can you read them all?
