Year 4 Brass Assembly - Friday 22nd March

Our Year 4's performed for parents this morning in a special assembly to demonstrate their learning this term. Sparrow's have worked really hard this term to master a new brass instrument which we hope will inspire some of them to continue on their musical journey. All of the children performed beautifully, well done to Sparrows.

We have received a couple of lovely emails from parents who attended the performance this morning to pas on their 'thanks' and 'well done' to the children. It was lovely to see so many parents/grandparents this morning and as always we thank you for your support.

Childminders

In addition to increasing our capacity with after school provision next year we would like to know if there are any local childminders that could support our families with childcare arrangements at either end of the school day. We would like to create a list of local childminders so these can be signposted to parents in need of childcare.

If there are any childminders out there who have spaces, please get in touch so that we can share your details with parents by contacting office@silverstone.pdet.org.uk

Spring Term with FoSS

Garden Working Party

Huge thanks to the members of our school community, both adults and children, who joined us on the 16th March to be part of the Garden Working Party. We cleared the path down to school and cleaned up the rock snake, as well as getting some of the areas at the top of the carpark looking neater as well. The flowerpots that were recently damaged were replanted. It all looks brilliant and was a fantastic group effort. We really are so grateful to everyone who came along and made it possible. With Stage 1 complete, we will be meeting again to plan future work. If this is something you'd like to be part of, then please email silverstonefoss@outlook.com
